SWAROOP KULKARNI

PERSONAL DETAILS

- Portfolio
- Linkedin
- Github
- kulkarniswaroop8446@gmail.com
- +971 586860350
- Passport : Y4332599
- Nationality : Indian
- Location : Dubai, United Arab Emirates
- Languages : English, Hindi, Marathi
- D.O.B – 22/09/1998

KEY SKILLS

Analytical Tools :

- Power BI – Data Modelling, DAX, Data Visualization, Data Import & Transformation (Power Query), Publishing & Sharing
- Excel – Data Cleaning & Transformation, Data Visualization, Conditional Formatting

Programming Language :

- SQL – Data Manipulation, Data Filtering & Sorting, Database Management
- Python (Basic)

Database :

- MySQL
- Microsoft SQL Server
- Oracle

Soft Skills – Analytical Thinking, Attention to Detail, Communication Skills, Problem Solving, Adaptability, Collaboration & Teamwork

PROFILE SUMMARY

"Recent graduate with a strong foundation in Data Visualization, Statistical Analysis, and Database Management. Proficient in transforming complex data into actionable insights to drive business decisions. Detail-oriented and analytical, with strong skills in transforming data into actionable insights for informed decision-making. Eager to apply my fresh knowledge and academic background to contribute to business success in the real world through innovative and efficient data solutions."

EDUCATION

➢ **Bachelor of Computer Applications** **[June 2023]**

[Shivaji University, Kolhapur, Maharashtra, India]

GPA – 8.4

➢ **Diploma in Computer Engineering** **[June 2020]**

[MSBTE, Mumbai, Maharashtra, India]

GPA – 5.6

PROJECTS

Car Sales Dashboard Using Power BI GitHub
[Excel | Power BI | Power Query]

- Designed and developed interactive Power BI dashboards to track key car sales KPIs, enabling real-time insights and data-driven decision-making.
- Compiled, cleaned, and transformed data from diverse Excel sources for comprehensive analysis, ensuring accurate and efficient data processing.
- Identified key sales trends and developed actionable recommendations for inventory management, customer targeting strategies, and revenue enhancement.

Sample Superstore Sales Dashboard Using Power BI
[Power BI | Excel | DAX]

- Developed a comprehensive Store Sales Dashboard using Power BI and Excel, providing detailed sales, customer, and profit insights to enhance business strategy.
- Utilized DAX functions for robust data analysis, delivering actionable insights such as identifying the most profitable product category and customer segment.
- Recommended data-driven strategies to improve marketing focus, optimize profits, and streamline operations, leading to targeted business improvements.

Music Store Analysis Using SQL
[SQL | MySQL]

- Developed advanced SQL queries for data analysis, including joins, subqueries, aggregations, and window functions, resulting in improved understanding of customer segmentation and expenditure patterns.
- Created and optimized database structures, including the implementation of views for complex query abstraction, enhancing data retrieval efficiency and clarity.
- Conducted in-depth analysis to identify high-value customers, most popular music genres per country, and top performing artists, informing targeted marketing and promotional strategies.

Certifications / Trainings

- Data Science (SevenMentor Institutes Pvt Ltd – Pune, India)   **(July 2024)**

- Data Analyst Intern (Psyliq – Delhi, India)   **(June 2024)**

- PwC Switzerland – Power BI Job Simulation (Forage)   **(May 2024)**

- Power BI Intern (Cognifyz Technologies, Nagpur, India)   **(May 2024)**

- Microsoft Excel 2024 (Udemy)   **(May 2024)**

- Data Analytics Essentials (CISCO)   **(April 2024)**

Achievements

- Ranked **1st** among 50 students in the Final Year University Examination   (**June 2023)**

Extracurricular Activities

- **Anchor** - Annual Prize Distribution Day   **(March 2023)**
  Hosted the event, showcasing public speaking, time management and event coordination skills.

- **Event Coordinator** - Pahal 2023   **(March 2023)**
  Led an event organized by the BCA department, demonstrating leadership and collaboration.

- **Volunteer** - Pahal 2022   **(March 2022)**
  Assisted in organizing two departmental events, gaining experience in event management and teamwork.

- **Volunteer -** Souhard 2018   **(February 2018)**
  Contributed to a Computer Engineering Event, part of a multi-department festival, showcasing team collaboration.
